Leveraging Information to Enhance Health

Benefits Gateway is a personalized, integrated service that gets employees to the right benefits through a single number. Benefits Gateway offers easy-to-read information dashboards for each employee. The Personal Health Advocate quickly sees the benefits used, how the employee's health measures up and can pinpoint areas for improvement. It's a powerful tool to better guide the employee to the right benefit and the right action steps. All to boost productivity, lower costs and improve health outcomes.
