When applying it is helpful to have the following information handy:

1. Current telephone number;
2. Address at the time of the disaster and current address;
3. Social Security number, if available;
4. A general list of damages and losses;
5. If insured, the name of insurance company, agent and policy number;
6. Bank routing number for any direct deposit.

Call the FEMA Helpline or check online if you need additional help or have questions. You can also learn the status of an application, additional services, or the location of specific services.
